The School

Our School of English in Hastings is located in the town centre, within easy walking distance of all the main attractions and shops, and is only 5 minutes away from the beach.

Hastings is an excellent location for your course if you want to make regular visits to London but would also like the comfort of living in a smaller, more intimate town with easy access to the Language School, beach, sights and shops.

The Town

Hastings is located on the south coast of England, yet is close to London, major airports, channel ferry ports and the Eurotunnel. The attractive seaside town has a population of around 85 000. It is a town of contrasts, with an interesting mix of old and new. It has spacious beaches and parks and all the facilities of a good tourist resort.

Many of the town centre streets are pedestrianised and you can enjoy refreshments ‘al fresco’ at one of the many continental style cafés, restaurants and bars. There is a modern shopping centre with famous name shops, and in contrast, the picturesque Old Town has many small craft shops and boutiques, as well as traditional English pubs, specialist restaurants, bistros and café bars.

The beautiful Sussex countryside surrounds Hastings and you can enjoy visits to typical English villages and many historic buildings.

Getting Around

Hastings is very easy to get around and all the sights and amenities are within easy walking distance of the school.
